Police - South Kanara District - Food-drive - Temporary additional staff - Continuance - Sanction sought.

---

In G.O.Ms.No.2893 (Home Department) dated 28th September 1944, the Government sanctioned the employment, for a period of six months from the date of appointment, of a temporary additional police staff of one Inspector III Grade, five Inspectors, V Grade, five Head Constables III Grade and eleven constables, in this district to give assistance to me in the food drive. This staff was appointed with effect from 15-10-44 (A.M) and the sanction will expire on 15-4-45. It has been of considerable help to me in enforcing food control measures. Though the food situation has improved now and the black marketers and hoarders are inactive, the geographical situation of the district with Bombay Presidency and the Mysore State on two sides and a long sea coast on the third, always affords strong temptation for hoarding and smuggling across the frontiers and by sea. Any slackening of the present vigilance will revive all the old evils, waiting to burst out. The D.S.P. is of opinion that there is need for continuing the present measures for sometime more and that the ordinary Police staff will not be able to cope with them. He however, thinks that the strength of the present special staff can be slightly reduced without impairing the efficiency, I agree with him and request that sanction may kindly be accorded to continue a temporary police staff consisting of one Inspector III Grade, five sub-inspectors, V grade and five constables for a further period of six months from the date of expiry of the present sanction.

Sub.-Police - South Kanara district - Procurement - Food Drive - Temporary additional staff - employment of an additional staff - sanction sought Ref.-This office Ref.W5.1965/45 dated 19-2-45.

Out of the 11 constables whose employment was sanctioned in G.O.Ms.No.2893, Home Department, dated 28-9-44, one is working as 'orderly' under the Inspector and the rest are working under the 5 Sub Inspectors on food drive duty. But in this office Ref.W5.1965-45 dated 19-2-45 on the recommendation of the District Superintendent of Police, sanction was sought for the employment of only 5 constables, one for each of the 5 Sub Inspectors for a further period of six months from the date of expiry of the present sanction. The District Superintendent of Police now brings to notice that the necessity for an orderly under the Inspector on food drive duty continues. I agree with him and request sanction for the employment of six constables instead of 5 constables applied for by me in my report cited above.

When the staff was originally sanctioned in Septr. last, it was considered that ~~the period of retention may not exceed~~ no staff might be required beyond 6 months ~~entailing more than Rs 4,996~~.
